Technical Skills

- Programming Languages
  - Python (Intermediate)
  - Java (Intermediate)
  - c (Intermediate)
- Tools
  - Git
  - Linux
  - Windows
- Databases
  - SQL (Intermediate)

Soft Skill

- Observation
- Decision making
- Communication
- Multi-tasking
- Time Management

Education

- Birla Institute of Technology and Science

  Masters in Technology (Mtech) Software Engineering

  August 2024 - August 2028

- The Heritage Academy

  Bachelors in Computer Application

  Completed in | CGPA 8.5

- National High School CBSE

  Completed in 2021

Achievements

- 5 star badge from HackersRank in Python and java
- Ex Bengal Cricketer
- AIR 1221 All India Maths and Science 2017

About Me

This is Mohit Naskar Computer-Science major. Being an aspiring techie and developer I wish to explore the world of Computers. Being goal oriented I would like to achieve what's dreamt by me in the fields of data and computer development.
Being a adaptive person in this fast paced environment I'm excited to contribute my skills towards the team.

Experience

iNeuron.ai | Data Analyst Intern(Python)

28th June 2023- 2nd August 2023

- Used Machine Learning Models to analyse data.
- Reviewed the insights for the customers.
- Solved data complication using provided data.
- Used NLP(Natural Language Processing) to analyse the data.

Ardent Computech Pvt.Ltd, Kolkata

12 June 2023 - 12July 2023

ML Developer
- Developed models that can help in business prediction.
- Analysed past data to predict the future of the product.
